

Societa Di Unione E Beneficenza Italiana

Italian Benevolent Society Inc. 1881

I.B.S. FACILITIES PRICING

Thank you for your interest in our rental options. The Directors, Trustees and Members of the Italian Benevolent Society are very proud of our facilities and are excited about the opportunity to share our Hall, Grounds and Kitchen with the local and distant communities of Northern California. Our Society has been active and ongoing in Amador County since 1881.

The property is located in Sutter Creek, CA in the heart of the California Gold Country. For events requiring overnight stay, the area has many nearby hotel accommodations, as well as attractions of every sort to satisfy the day before or day after event plans. See www.touramador.com.

Our Hall can seat up to 400 people. It can be staffed with a complete Bar. You can bring your own caterer or utilize our large kitchen facilities and cook for your own event (see instructions requirements page). The Hall itself has large, very well maintained, updated bathrooms.

Our Grounds are very well kept and green year-round. The newly covered Beer House (as we call it) is a great place to commiserate, play Bocce on one of our three lit courts and listen to a band even in weather that is questionable. Inside and outside events held here can easily accommodate hundreds of vehicles.

Listed below are the current prices and options. Please contact the Hall Rental Manager listed on the website Facilities Page or call the Italian Benevolent Society directly with any questions you may have.

Grounds only option with access to Hall restrooms:	\$600 per day
Hall with Grounds option:	\$900 per day
Hall with Grounds and Kitchen option:	\$1200 per day
Hall with Grounds, ½ day, non-weekend	\$600 per day
Commercial events are negotiated.
